

INEOS GAP

Protection for new & pre-owned vehicles

In the event that your vehicle is stolen, accidentally damaged beyond repair, or otherwise declared an insured total loss, the insurance company pays the actual cash value of the vehicle at the time of loss – not what you still owe. You are still liable for the difference between the insurance company's settlement and the balance of your loan/lease. Guaranteed Asset Protection (GAP) fills the void left by the insurance company.

By purchasing INEOS GAP you are off the hook: we pay the difference between the total loss insurance payout and the balance of your auto loan. Our INEOS GAP Plan:

- Cancels your debt for totaled or stolen vehicles
- Protects your credit rating and vehicle value
- Ensures a smooth financial transition after vehicle loss
- Eliminates your worries about financial burden

INEOS GAP: Benefits & Eligibility*
